

Down amongst the shadows of New York City, deep behind the walls of 54 Below,
the Lord of Excess, the Crusader of the Heart, rock 'n' roll's Little Richard Wagner
has decreed that the Vaults of Heaven shall be unlocked!
And from those vaults, majestically epic songs, his 'children', silent and lost for so long,
will finally, triumphantly, joyously be heard!
For on this night, the revels will begin! Secret dreams and forbidden fires will be ignited!
Everything will be permitted! Nothing ever will be taboo!
Too much will never be enough! And paradise, oh my,
PARADISE, by the glow of a million dashboard lights, will be **FOUND!**
